CONDITIONS OF PERMIT: This application shall be accompanied by two (2) copies of proper construction documents. For additional information on submittal requirements, please refer to the submittal checklist available in our office. Work may not commence until a building permit has been issued pursuant to approval of this application. Permits so issued shall not be construed as authority to alter or set aside any building code requirement, nor shall such issuance of a permit prevent the Building Official from thereafter requiring correction of errors in plans or construction, or of violations of building or zoning codes. Inspections are to be requested as needed during work. Occupancy by other than construction personnel prior to a Certificate of Occupancy being issued is prohibited by law. Certificates of Occupancy or Temporary Certificates of Occupancy must be applied for.
