Signature: _____

****All applications for sign permits shall be accompanied by plans, in duplicate, drawn to scale, showing the actual dimensions and shape of the lot to be built upon. The exact size and location of buildings and/or signs already existing, if any, and the location and dimension of the proposed sign, or sign alterations. All streets, alleys, and/or easements shall be included on the site plan. The plans shall include a frontal elevation of the sign, drawn to scale, showing the entire sign above and below the ground line to include actual working on the sign face.****
